### **John Davis UEL**

1759 born John Davis, above, died without heirs probably accounting for the fact that no serious researcher that I am aware of makes an issue of his UEL status. This is very likely the John who fought with the KRRNY (and not the one who was with Butler's Rangers). He came to Canada in 1794 and on 24 Oct 1798 he was awarded Lots 20 & 23, C5 in Saltfleet. He ended up in Norfolk on Lot 2, C14 Windham beside his mother, Jane. Strangely, his probate documents are found in Middlesex.

### **Thomas Davis UEL**

Lots 21 & 22, C5 in Saltfleet went to his brother, 1765 born **Thomas Davis UEL**, also granted on 24 Oct 1798. Although he was the first of his family to arrive in Saltfleet (in 1790), Thomas has a longer history with Lots 5 & 6, C8 Barton Twp. He was also known in the Charlotteville (Long Point) settlement where his widowed mother, Jane, had been granted L1, C14 in Windham Twp. He married twice (the second time badly) and had 15 children.

### **William Davis UEL**

Uncle to the two boys just mentioned, is 1741 born **William Davis UEL**. Born on a plantation near Baltimore MD William married Hannah Phillips of Yorktown, VA, a beautiful southern belle. They settled along Forrester's Creek, in the newly created Orange County, North Carolina where his older brother, Robert had 385 acres. See British Legion, Capt Jacob James, for the Loyalist service record of both William and Robert (who died in the War, about 1781, survived by Jane his wife, and 2 sons, John, and Thomas, above). William arrived at the mouth of the Genesee River in August, 1792, where the gunboat of his good friend, Lt Colonel John Graves Simcoe, brought him to Niagara. Lots 31 & 32 C6, Lots 32 & 33 C7, and Lots 32 & 33 C8 Saltfleet were all patented to William on 10 Mar 1797. Of all his Saltfleet and Trafalgar properties his most famous was Harmony Hall, a colonial mansion built at Mt Albion, Hamilton (L34 C6, near where Mud St intersects with Lincoln Alexander Parkway).
